NII GUATE ASUASA EKASEI AKO II IS NOT "KING" OF THE GA PEOPLE OF GHANA.

Posted on 07/20/2012 by Sheikh Mustapha Watson-Quarthey

The Djaase Council of Kpakpatse We Royal Family of Asere, Gua We, Accra Ghana; wish to state that our attention has been drawn to a news item published in the Easton Area News with the Daily Express-Times on July 16th 2012, at 2:37PM by Zach Lindsey. This publication also posted on the internet in our view, contains a lot of inaccuracies and falsehoods as claimed by the self-styled "king" of the Ga people of Akra: Nii Guate Asuasa Ekasei Ako II.

We, the legitimate family, office holders of the Asere Akwashongtse/Ga State Akwashong Mantse; custodians of the Ancient Gua War Stool and Gua Deity hereby wish to set the records straight by saying that John Nii Kpakpa Quarthey was *only* enstooled as **Wolomo** (High Priest) of the **Gua Deity** on Saturday, April 12th, 2008 and not as a *king* as he is now claiming.

Having said that, we wish to categorically place on record that John Nii Kpakpa Quarthey who previously was unknown to the Kpakpatse We Royal Family was introduced to the substantive Head of Family; Alhaji Kasim Kwatelai Quarthey by Benjamin Kwatelai Quarthey, the current Principal Head of Kpakpa Kakadann We, sometime in the year 2007.

He, then introduced himself to the family as the son of Mr Alex Kwatei Quarthey, (CEO of Kwatson & Sons Limited); one of the respected members of the family and that he had arrived from the United States of America where he went to study. According to him, he is being persistently hunted and tormented by Gua the family's deity, both in his dreams, daily activities and life in general.

He, then went on to produced an audio recordings of a message which he claimed were from the oracle that he consulted about his predicaments to substantiate the allegation that he has been chosen by the Gua deity as the **Wolomo** (High Priest) to mediate between the gods and the people of Asere and the Ga Mashie Community.

He, was thus; confined, consecrated, and enstooled according to Ga customary practices and usage, as the *Gua Wolomo* on Saturday 12th April 2008. Stool named *Nuumo Guate Asuasa Datsiriafa II*. He was subsequently outdoored on Saturday 19th April, 2008, where he swore Oath of Office to the people of Asere and the Ga Mashie community.

In view of this new developments, we wish to notify the International Community and the whole world that the claims made by the so-called *Nii Guate Asuasa Ekasei Ako II* that he is the "**King of the Ga People of Ghana**" are all falsehoods and a means of fleecing unsuspecting institutions and people of their hard earned cash.

Nii Guate Asuasa Ekasei Ako II is an imposter, a jester, a pathological liar and a conman who has abandoned his post as the *Gua Wolomo* (High Priest) for the past four years since his enstoolment. please stay tune for more information and revelations on this notorious International Conman called **Nii Guate Asuasa Ekasei Ako II: "so-called King of the Ga People of Ghana"**.
